

Standing Angel Card

Instructions:

1. Print the template. Print onto thin card for a sturdy angel. If printing onto normal paper, see instruction 3.
2. Decorate / colour in your angel using pencil crayon or whatever medium you choose.
3. Cut out your angel. If using normal paper, stick template onto card before cutting out.
3. If you want to send your angel as a card, write your message onto the back, upper half of the angel.
4. To make your angel stand, slide slot A into slot B.*

* If sending as a card, send flat, with instructions to your recipient about how to make the angel stand up.
